

GNS SPORTS

PRIVATE TUITION/ADDITIONAL SKILL SESSION

GNS Sports organise and take time out in helping each and every child to develop their individual soccer skills and in trying to improve them as a player.

We try to achieve this by offering our knowledge and coaching skills in teaching children to have fun through learning and to work hard at their game.

How we deliver our service: -

- We try to obtain a maximum of 10 children to take part in our skill sessions in order to focus on the individuality of the child and develop their skills.
- Contact team clubs or advertise in schools.
- Each child will have their own ball and will be asked to do a variety of skills/moves with the ball. Gaining many touches on the ball will develop the child's ability in their specific position or role within a team.
- The coach is committed to teaching intensive skills, whether fundamentals or advanced which maybe required from the players.
- There will be a charge of £10.00 per child for the service and will last for 1hr 30 minutes
- A time and date to be arranged with children when applicable

We also offer a **Private tuition** service, which focuses on just one element of soccer, such as Goalkeeping

This service will last for 1 hour 30 minutes and the cost shall be £10.00
